TJX

TJX, Toronto, Canada

July 2, 2024

Dear Recruiter,

I am writing to express my strong interest in the Retail Store Associate Part Time at Winners. My educational background in full-stack software development, combined with my experience in customer service and sales, positions me well to contribute effectively to your team.

I am currently pursuing a Post Graduate Certificate in Full Stack Software Development at Lambton College, Toronto, where I have maintained a GPA of 3.608 and have been placed on the Dean's Honour List in all semesters. My studies have equipped me with a solid foundation in both technical as well as leadership roles.

In addition to my academic achievements, I have gained practical experience through various part-time roles. As a Sales Associate at Big Bazaar, I assisted customers with product inquiries and purchases, managed cash registers, and ensured store cleanliness. At Reliance Digital, I resolved customer complaints, conducted product demonstrations, and provided technical support for electronic devices. My internship at Shoppers Stop further enhanced my skills in visual merchandising, promotional events, and customer satisfaction.

My leadership roles as President of the GDSC Club at Lambton College and Programming Club Coordinator at IIIT Guwahati have honed my ability to organize and lead events, conduct technical sessions, and collaborate with peers. These experiences have developed my interpersonal and communication skills, which are crucial for a customer-oriented role.

I am eager to bring my background in software development, customer service, and sales to TJX groups. I am confident that my skills and experiences align well with the requirements of the store associate position, and I am excited about the opportunity to contribute to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with TJX's mission.

Sincerely,

Monisha Ranjan
